

2020 Sandy C. Marks Poster Presentation Award Winner: Clinical Studies

Andrew Lombardi

Title of winning presentation:

Course of the Greater Palatine Nerve and Artery: Implications for Palatal Tissue Graft Harvesting

Your current position:

4th year dental student, University of Toronto Faculty of Dentistry

Your Undergraduate and previous graduate training (if any):

Bachelor of Science, Honours Specialization in Kinesiology, University of Western Ontario

Your home state:

Brantford, Ontario, Canada

Hobbies and or Special Interests:

I enjoy playing hockey, golfing, spinning, reading, exploring Toronto's food scene, and spending time with family and friends.

What would you like to see yourself doing 10 years from now?

In 10 years from now I aspire to be working as an oral and maxillofacial surgeon. I hope to hold an academic position, training residents and teaching anatomy to undergraduate students.
