

**Your Name:** Trenton Jackman

**Did you win a Poster or Platform presentation?** Poster

**Title of winning presentation:** Are Soft-Embalmed Cadavers Better for Histopathologic Study?

**Your current position:**

MS2 Student, Oakland University William Beaumont School of Medicine, Rochester MI

**Your advisor:**

Malli Barremkala M.B.B.S.

**Your Undergraduate and previous graduate training (if any):**

B.S. Psychology, Brigham Young University

**Your hometown:**

Orem, UT

**Hobbies and or Special Interests:**

I love mountain biking, backpacking, fishing, paddle boarding, and family vacations. I find peace when spending time with my family.

I have a professional curiosity in using imaging techniques, particularly ultrasound, to identify and support strong anatomical knowledge in clinical practice.

**What would you like to see yourself doing 10 years from now?**

10 Years from now I hope to be working in a small emergency department in a rural area. I also hope to be working with local and international medical teams to establish increased access to consistent high-quality medical care.
